White Water Rafting

What to expect

Churning under the crashing waters of Victoria Falls are the rolling rapids of Bakota Gorge. Leading down towards the Zambezi River, the gorge is over 100 meters deep and the Grade 5 rapids are arguably the wildest white waters in the world. The adrenaline-fueled expeditions range from a short day trip down the white waters of the river to a 5 day rafting and camp-out adventure. Your guide will collect you from your designated hotel at 07h30 and transfer you to the Lookout Café for a safety briefing before taking on the rapids of the mighty Zambezi.

Sunset river cruise

What to expect

Upstream from the crashing waters of Victoria Falls, discover the calmer waters of the Zambezi River on a 2 hour sunset cruise. This is also an excellent game viewing opportunity as you can often spot elephants drinking from the banks, hippos wallowing in the waters, and crocodiles swimming past the boat. As you cruise down the river, catch the African sun dip below the horizon with a gin and tonic in hand.

Private cruise + dinner

What to expect

For travelers looking for an exclusive experience, we recommend a private sunset cruise followed by dinner at The Eatery. Take in the river scenes and enjoy a selection of canapés and beverages onboard your private boat as you make your way towards the Victoria Falls Waterfront. Here, you can enjoy an exclusive gourmet al-fresco dinner set on the riverbanks in perfect isolation. This is the only location at Victoria Falls where dinner can be served on the banks of the river.

Hire wire adventure

What to expect

Adrenaline junkies assemble! Set above rapid number 04 on the Zimbabwean side of the Falls, 'The Big Eddy' has 3 activities in store for you. First up — a 'zero gravity' gorge swing. After strapping into your harness, launch into a 70m freefall before swooping 315m across the gorge with the turbulent Zambezi below. Too thrilling for you? Don't fret, the 'Flying Fox' offers a similar experience, without the apprehension of a freefall. Here, you can glide 425m across the gorge, strapped horizontally to the cable. Last, but certainly not least, get your adrenaline pumping on a zip line across the gorge reaching speeds of 106km / 65 miles per hour.
